

A BETTER CHANCE OF WILTON

November 2025

Dear Friends and Neighbors,

We, at **A Better Chance of Wilton (ABC of Wilton)**, hope you are enjoying the beautiful fall foliage as we move into the festive holiday season.

Since 1996, A Better Chance of Wilton **has welcomed highly motivated high school students from underserved communities for an opportunity to live in Wilton and obtain an exemplary education** that may not be available to them in their home districts. Our ABC Scholars live in the ABC residential house in Wilton's town center with a Resident Director and former ABC Scholar, who oversees all aspects of their lives while living here. A dedicated volunteer Board of Directors affirm and nurture our ABC Scholars' potential and help to prepare them for college and their future.

Our community volunteers are the driving force who keep the program viable. The volunteer drivers, host families, tutors and college coaches enable our Scholars to be successful while students at Wilton High School. **The Scholars are proving to be an essential inclusion to our community** by volunteering at community functions, being members of various WHS service clubs and even representing our town at the Music Adjudication 2026 in Orlando, Florida.

It truly "takes a village" to support our Scholars as they navigate through their four years at WHS. A Better Chance of Wilton relies exclusively on private donations and fundraising events to support our Scholars who are committed to graduating from Wilton High School, attending college, and becoming young adults capable of assuming positions of responsibility in society.

Please consider making a tax-deductible contribution to our Annual Fundraising Appeal. You can donate by visiting our website, abcwilton.org/donation, or you can mail a check using the self-addressed envelope included for your convenience.

With your support, A Better Chance of Wilton will continue to succeed and be capable of supporting our current and future Scholars. Please visit our website, abcwilton.org, to meet the Scholars you will be supporting.

Sincerely,

Julie Fowler

Executive Director, A Better Chance of Wilton
