## OUR MISSION

The purpose of A Better Chance of Wilton is to offer highly motivated high school students of color the opportunity to live in Wilton and obtain an exemplary secondary education that may not be available to them in their home districts. The goal of the program is to affirm and nurture our ABC Scholars' potential and help prepare them for college and their future.

# SPONSORSHIP

A BETTER CHANCE  
of WILTON

A Better Chance of Wilton has successfully enriched lives by providing educational opportunities to highly motivated high school students of color for 30 years. Scholars from around the United States have come to Wilton to pursue an environment and high school experience that encourages academic excellence and nurtures their potential for college and their future.

We want you to join us for an evening of cocktails, dinner and music celebrating 30 years of success for ABC of Wilton! We need your support to continue this life-changing program, so please consider being a sponsor for our upcoming event.

Below are details of the sponsorship packages and please know that our Scholars are grateful to donors like you! Our program is fully funded by the generosity of private donations so every dollar makes a difference.

For questions or participation, please reach out to Shannon Benedek at [ShannonBenedek@gmail.com](mailto:ShannonBenedek@gmail.com). We hope to see you on May 16th!
