Re: October 19, 2010 Board Meeting Compliance Report

Please refer to the attached detail to determine the compliance status of each person and contact me any time if you have a question about an individual's compliance status.

### **Background Checks**

All paid employees, Board Members, adult Host Family members residing at the Host Family's residence, drivers, tutors, mentors, college coaches and any other person who has or will have significant involvement with A Better Chance of Wilton scholars must undergo a background checks as a condition to employment by or participation with the Wilton A Better Chance program.

For 2010-2011, I estimate there will be about 140 individuals that will require background checks. The cost of each check is \$9.95 so the budget number of \$1,000 is reasonable assuming we get some donations. As stated in the handbook: *"The cost of background checks for paid staff shall be paid by the Wilton ABC program. The cost of background checks for Host Families and other volunteers shall be paid by the Host Families and volunteers, or the A Better Chance of Wilton if necessary."* Donations from all volunteers to offset the cost would be greatly appreciated and should be payable to ABC Wilton and sent to Gayle Herndon.

To date there have been 128 background checks. The checks include all board members, host families, college coaches, employees, tutors, chaperones and most drivers. Background authorization forms from 5 new drivers have not been received.

Ten (10) of the 128 background checks returned criminal records. In all instances either the person with criminal activity was not the person associated with A Better Chance of Wilton or the type of criminal activity would not disqualify them from continuing their association with A Better Chance of Wilton. The reports with criminal activity were sent to Marylynn Clune and Mark Carter who have not advised me they disagreed with recommendation that no further action is required.

### **By-Law Acknowledgments**

All board members have returned the Bylaws Acknowledgment.

### **Handbook Acknowledgments**

As a condition of participating in, employment by, or volunteering for the A Better Chance of Wilton program, all Scholars, Scholar Parents, Employees, Board Members, College Coaches, Committee Chairpersons, adult Host Family members residing at the Host Family's residence, Tutors must acknowledge receipt of and agree to follow the policies and rules as set forth in the Handbook.

All but two of the Handbook Acknowledgments have been returned.

### **Drivers License and Insurance Cards**

Collecting copies of driver licenses is an ongoing process. One person has not sent a copy of their new license. Copies of insurance cards are required when a person becomes first complete the authorization for background check. All those who have sent the authorization have sent their insurance card.
